

Cleveland State University University Scholars in STEM (Science, Technology, Engineering, and Mathematics) Fall 2010 Application

The University Scholars in STEM Scholarship and Academic Program is an opportunity for students to earn need-based scholarships and to participate in a cohort experience with students in similar majors. The STEM disciplines include science, mathematics, engineering, and computer science. Students majoring in the sciences with a minor in Secondary Education are also eligible to apply.

Admission Requirements:

Admission to the University Scholars in STEM Program is competitive. The minimum criteria for admission include:

- Full-time status,
- Enrolled in a STEM major with 3 years of study remaining (sophomore status),
- Fall semester GPA of 3.0 or higher,
- Average GPA of 3.0 or higher in STEM courses
- Valid FAFSA on file

Application Process:

Submit all application materials no later than **April 30, 2010**.

All completed applications should be sent to:

Lauren A. Davis
Honors Program
Cleveland State University
2121 Euclid Avenue
Cleveland, OH 44115-2214

Application Checklist:

Please include the following:

- Completed application form
- Personal Statement of Educational Goals
- Two faculty letters of recommendation
- Complete FAFSA

Incomplete applications will not be considered until all materials have been submitted.

**Any questions, please feel free to call:
216-687-5559**

FAX: 216-687-5552

E-mail: l.a.davis66@csuohio.edu

IMPORTANT:

- Students must complete the Free Application for Federal Student Aid (FAFSA), available at <http://www.csuohio.edu/financialaid/apply/> to be considered for the STEM scholarship. A valid FAFSA must be on file with the Financial Aid Office by the April 15 application deadline. Any financial aid related questions should be directed to the Financial Aid Office at 216-687-5411 or campus411@csuohio.edu.

Directions to the applicant:

1. You must submit two faculty letters of recommendation. Letters from faculty members within the STEM disciplines are preferred and will carry more weight.
2. Your Personal Statement of Educational Goals should discuss your thoughts on motivation, perseverance, and goal-attainment as they relate to your work in your STEM discipline. Statements must be at least one page typed and should communicate your thoughts clearly and effectively.

IMPORTANT INFORMATION FOR FINALISTS:

Finalists for the University Scholars in STEM Scholarship and Academic Program will be contacted for an interview no later than one week after the April 15 application deadline. Interviews will be conducted by members of the University Scholars in STEM Management Team.

Please direct any questions to Lauren A. Davis, University Scholars Advisor in the Honors Program at 216-687-5559 or l.a.davis66@csuohio.edu
