Deep Learning for 21st Century Skills Network

**GCEDC | Cleveland State University
3100 Chester Avenue, 3rd Floor
Cleveland, Ohio 44114**

**December 15, 2011 | March 15, 2012
4:00 pm - 6:00 pm | Light Refreshments**

As a member of the GCEDC, we invite your district's participation in our Deep Learning for 21st Century Skills Network. We will host at least two meetings during the school year. Our topics will focus on 21st century skills and the "Deep Learning - Excellent Teacher" model promoted by the Martha Holden Jennings Foundation. We will engage participants and promote sharing of your effective practices.

December 15 Topics

- Deep learning - Excellent Teacher Model
- Next Generation Learning, Guest speaker: Dr. Matt Deevers, Orange Schools (District is pilot for Next Generation Learning)

March 15 Topics

- Assessment Strategies - How to assess 21st Century skills
- High School and Higher Education Alignment

Cost: No Charge for GCEDC Member Districts / \$50 Per Person Non-members.
