Endorsements

CSU Teaching English To Students Of Other Languages (TESOL) program offers an add-on endorsement for those who have teaching certificates. The growing number of English Language learners (ELL) in our public schools (more than 35,000 ESL/ELL students in Ohio during 2006-2007) makes the TESOL program a useful addition to an endorsement in elementary education. TESOL endorsement courses are designed to give students a theoretical background of language education with appropriate methods and practice teaching. The TESOL program is also suitable for students who wish to teach English abroad in programs such as the Peace Corps. For further information contact either Dr. Maria Angelova or Dr. Hoe Kyeung Kim.

Remember...

The Viking Card is provided to every student enrolled at Cleveland State University. The Viking Card is the key to all University programs and services.
