#### On-going Member Benefits

Let the GCEDC help plan your building or district in-service programs. We will bring our over 26 years of expertise to the table to help you customize your professional development.

- We can help you "grow" your staff in these areas: transformational/moral/servant leadership, understanding poverty and its impact on teachers and classrooms, differentiated instruction, understanding diversity and gaining cultural competency, assessment for learning, technology and leadership.
- Call us about **personalized district/building service**. Let our experts work with your teachers and administrators. Member districts receive a discount on consultation services.
- Do you think **sharing information with neighboring districts** is valuable? So do we. Join us for the :
  - Literacy Network
  - Middle School Math Collaborative (MMAC)
  - High School Transformation Network
  - Advanced Placement Network
  - Technology Network
- Cleveland State University **graduate credit** is available at a reduced rate for your in-district professional development offerings. Want to run a master's program in your district? Ask us; we can help.
- Our members enjoy **discounted rates** at all of our programming. Need group rates for sending teachers? Contact Dr. Dennis Kowalski.
- Want an incentive to be the GCEDC Liaison in your district? Our monthly meetings include professional development with you in mind.
- Looking for a place to hold **seminars, retreats, and meetings**? The GCEDC can offer free meeting space in tech-ready settings for up to 30 people.
- GCEDC has programs for Entry Year Principals and preparation programs for Teacher Leader license.
