

2009/2010 Middle-School Math Assessment Collaborative  
Math Teachers Grades 4-8

## MMAC is **STILL BACK - BUT**

**DUE to POPULAR DEMAND it is  
RESCHEDULED to NOVEMBER 6.**

**This year MMAC sessions will focus on engaging in  
DATA DRIVEN ACTION!**

### Participants will:

- Appreciate *Seven Essential Understanding of Using Data* for instruction.
- Construct high quality diagnostic MC, SA, and ER items in middle school mathematics.
- Use the data from those MC, SA, and ER items to design and implement **APPROPRIATE INSTRUCTIONAL ACTIONS!**
- Focus on ways to help students to use their data to self-assess and self-regulate their own learning.

MMAC meetings have grown over the past two years. We can no longer fit everyone interested in attending MMAC meetings into our GCEDC training space. To ensure that every one who is interested in attending MMAC meetings can participate, we have reserved the small auditorium on the first floor of our building to hold our two yearly MMAC meetings. To defray the cost of the auditorium and lunch, we are charging member district a total of \$39 per year per person to attend both MMAC meetings. Non-member districts' fee is \$100 per person per meeting.

**NEW MMAC DATE:  
Friday, November 6**

MMAC meetings will be held from 8:30 a.m. to 3:30 p.m. on ~~Friday, October 16, 2009~~ and Wednesday, January 13, 2010 at CSU on the first floor of the Cole Center. Participants should bring their math textbooks, standards and fully charged laptop (whenever possible). Again, Donna Snodgrass and Sally Mascia are the MMAC co-facilitators. If you have questions, contact Donna at 216-523-7108.
