

## Lake Hospital System Mission Statement

Our mission is to provide comprehensive health care services to the residents of Lake County and neighboring communities in partnership with those who share a commitment to local access, healing with compassion and superior quality.

## Lake Hospital System Vision Statement

Lake Hospital System with its Medical Staff will be the health care provider of choice for the residents of Lake County and neighboring communities. As a community based, not-for-profit provider, our superior patient care will be delivered by dedicated professionals who take pride in achieving the highest level of patient satisfaction. Our services will be tailored to the needs of our communities and anchored by state-of-the-art equipment and facilities.

## Lake Hospital System Values Statement

**RESPECT:** We believe in treating everyone in a dignified manner.

**INNOVATION:** We believe that the pursuit of creative ideas leads to improvements that build a better future.

**TEAMWORK:** We believe that working together and communicating effectively help us achieve shared goals.

**STEWARDSHIP:** We believe that the wise use of our resources today assures our ability to continue our mission tomorrow.

**INTEGRITY:** We believe that our words and actions need to be in harmony to build trusting relationships.
