Case Study Examples of Internship Experiences

Ashley Harrington parlayed an internship at *Ohio Magazine* to a full-time job as assistant editor of special projects for *Ohio Magazine*. "I can't stress enough the importance of published clips," she said.

Katie Torok completed two internships before joining Sweeny, a full-service marketing and public relations firm. She has handled publicity, media relations, strategic planning, and corporate communications.

June Kwitkowski says she gained valuable experience completing an Internship at WJW Fox 8 News. "I learned a lot about the broadcasting industry and the operations of a newsroom. This internship reinforced my endeavors to be a newsreporter one day," she notes.

Douglas Gamble, who interned at Liggett-Stashower Public Relations, echoes this, saying "The various projects assigned were quite challenging, yet fun because they allowed me to learn how agency work takes place and what it takes to be in the world of day-to-day advertising."

Ben Sabol experienced a very positive internship at the International Art and Framing Group, a division of Pfingsten Publishing. "Internships have given me a chance to meet a lot of people and ask questions. Every day I seem to learn something more," he related.

Audrey Piotrowski spoke very positively of her internship at Cleveland State Athletics, assembling workshops and career service initiatives. "It has definitely been one of the highlights of my academic career. I feel that I am better prepared for the working world," she says.
