Namaste!

Namaste!—A Cultural Celebration

held this year in honor of International Women's Day — a major day of global celebration recognizing the remarkable achievements of women worldwide in changing, inspiring, and shaping our world.

The Meaning of "NAMASTE!" (Nah-mast-tay)

As defined by Mahatma Gandhi:

On the Indian Sub-Continent when people meet and part they often say, Namaste, which means: "I honor the place within you where the entire Universe resides; I honor the place within you of love, of light, of truth, of peace; I honor the place within you, where, when you are in that place in you, and I am in that place in me, there is only one of us."
