Report:

The Status of

Women at CSU

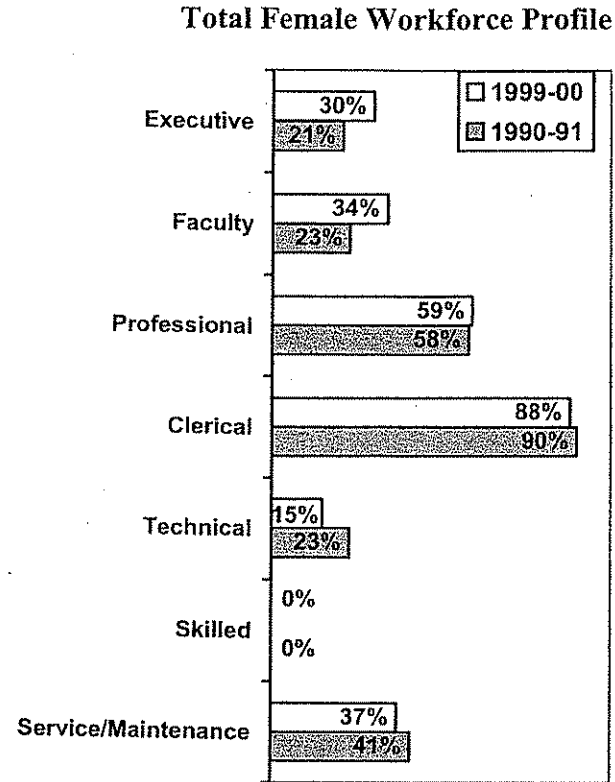

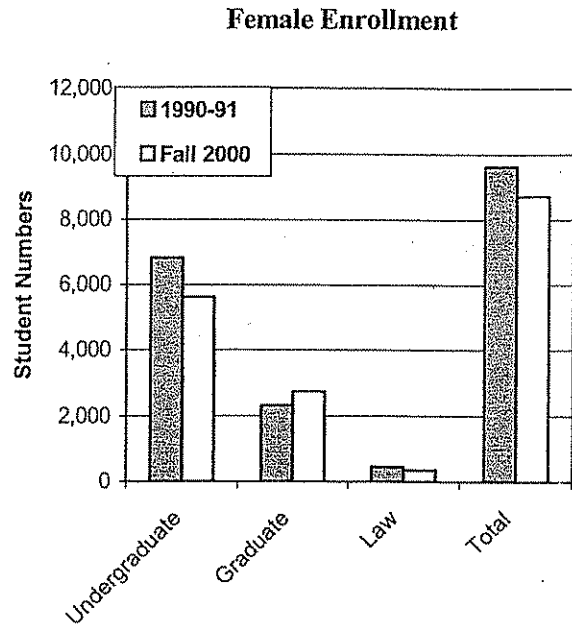

1990/91-2000/01

**The Presidential Committee
on the Role and Status
of Women on Campus**

The Presidential Committee on the Role and Status of Women on Campus was formally convened in January 1991 to study the quality of life for women at Cleveland State University and to recommend strategies that will enhance the academic and professional experiences of women students, faculty, and staff.

This report is a ten year comparison of data on gender in the general workforce, in faculty standing, enrollment and degree attainment.
