

## 2008-2009 Verification Worksheet - Dependent

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of 2007 Federal Tax Forms, W-2 forms, and/or other financial documents of yours and your parent/s. The law says we have the right to ask you for this information before awarding aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. Your financial aid administrator will help you.

### What you should do

1. Collect your and your parent/s' financial documents (signed federal income tax forms, W-2 forms, etc.).
2. Talk to your financial aid administrator if you have any questions about completing this worksheet.
3. You and at least one parent must fill in and sign the worksheet.
4. Take the completed worksheet, tax forms, and any other documents your school needs to your financial aid administrator.
5. Your financial aid administrator will compare information on the documents. You may need to make corrections using your SAR, or electronically.

*Your school must review the requested information, under the financial aid program rules (34 CFR, Part 668).*
