According to information Cleveland State University received from the U. S. Department of Education, the Department of Veterans Affairs did not confirm that you are or will be a qualifying veteran for purposes of receiving federal student aid for the 2009-2010 school year.

The following steps must be taken to resolve your Veteran status. Please review the information based on the category that applies to you.

Have you engaged in active duty in the U.S. Armed Forces (Army, Navy, Air Force, Marines or Coast Guard) or are you a National Guard or Reserve enlistee who was called to active duty for purposes OTHER than training?

_____ Yes _____ No

If you answered Yes, please attach a copy of your DD214 completed through Block 30.

Were you a cadet or midshipman at one of the service academies, and were released under a condition OTHER than dishonorable?

_____ Yes _____ No

If you answered Yes, please attach a copy of your DD214 completed through Block 30.

You ARE NOT a Veteran if you have never engaged in active duty in the U.S. Armed Forces; are currently a ROTC student or a cadet or midshipman at a service academy; or are a National Guard or Reserves enlistee *activated only for training*.

If you are not a Veteran, you are considered Dependent for financial aid purposes and you will need to make the following corrections to your FAFSA (www.fafsa.ed.gov):

- change question #52 to "NO"
- complete questions #61-95
- add parent signature #106
