APPROVAL FOR ACCEPTANCE OF GRADUATE COURSEWORK AT NORTHEAST OHIO PUBLIC UNIVERSITIES

Under specific circumstances, a Cleveland State University **graduate degree-seeking** student may take one or more graduate courses at The University of Akron, Kent State University, or Youngstown State University without registering as transient student. The course should contribute to the student's program of study and be unavailable at Cleveland State University when needed to complete the student's program. The student must be in good standing (GPA > 3.0) and be within time limits for completion of the degree program. Registration for such a course is controlled by the student's home department and will be permitted only upon receipt of this approved form.
