University Scholar students pursuing a major within the Levin College (Urban Studies, Public Safety Management, Urban Services Administration, and Environmental Studies) are required to take a minimum of 16 credit hours of 300-400 level honors courses as described below:

1. Honors Thesis or Exit Requirements (choose one):
   - Honors students may choose to pursue an Honors thesis, consisting of original research supervised by a Levin College faculty member
   - Honors students may take UST 489 Senior Seminar, UST 486 GIS Capstone, ENV 489 Senior Project, or another capstone requirement as a contract course.

2. The remaining 12 credit hours of Honors courses shall consist of any combination of contract courses and regular Honors offerings within the Levin College, with at least one course in the student’s major field.
