

Attention Prospective Graduate Nursing Students: Do you need a Statistics course?

Students who are applying for the Master of Science in Nursing must have successfully completed an undergraduate- or graduate-level statistics course within five years of the application deadline.

Cleveland State University's Department of Curriculum and Foundations, in conjunction with the School of Nursing, will be offering a statistics course this summer which will meet this requirement:

EDF 570 Statistics for Health & Human Services, 3 credits.

This course will be offered *online* during the First 6 Week Summer Session, May 22 – July 2, 2010.

In order to register for this course, you must have been accepted into the College of Graduate Studies. There are no prerequisites for the course.
