College of Education and Human Services
School of Nursing

Dear Prospective RN to BSN Nursing Student:

Thank you for your interest in Cleveland State University and the School of Nursing. Enclosed is documentation about our RN- BSN Completion Program and includes a prerequisite course check sheet, an application packet, and a prerequisite course equivalency chart. The program consists of online coursework with a completion time of one year (three consecutive semesters). Clinical sessions for the NUR 460 capstone course are done with a preceptor on a schedule you and your preceptor negotiate. This course will concentrate on healthcare planning and evaluation, rather than individual care delivery as you experienced in your initial training. The RN – BSN program begins in the Fall Semester of every year. Please be sure to submit your completed application no later than **July 1st** of the year you wish to begin the program.

The Nursing Program at CSU is small and selective, providing students with the opportunity to work with a caring and supportive faculty. Acceptance into the Nursing Major involves the following steps:

1. Admission into Cleveland State University and the College of Education and Human Services.
2. Hold an active Ohio Registered Nurse License.
3. Completion of all prerequisite coursework with a grade of “C” or higher. Maintain overall prerequisite Grade Point Average (GPA) of 2.75 or higher.
4. Maintain cumulative GPA of 2.5 or above.
5. Apply to the School of Nursing.

If you have not already applied to CSU as an undergraduate, please contact Campus411 at (216) 687-5411 or apply online at www.csuohio.edu. You should submit your application to CSU at least six weeks prior to the School of Nursing Application deadline.

Students who are currently working toward completion of the prerequisite courses, and have any questions about the program, should feel free to contact us on our main line at (216) 687-3598. You will be directed to the appropriate advisor. Also, please visit our website for updated information and for our Advising and Information session schedule. Our website is <http://www.csuohio.edu/cehs/departments/nursing>. **If you are attending an Information session or have an advising appointment scheduled, please bring copies of your transcripts from all universities you have attended.**

Thank you for your interest in Cleveland State University and the School of Nursing. We look forward to working with you!
