

Eligibility The Photo Contest is open to Cleveland State University students who have studied abroad in the 2008-2009 school year (September 1, 2008 to September 1, 2009). The entrant must also be over 18 years of age.

Instructions Complete entry form. Submit entry form with all required information to the Study Abroad Office (see Mailing and Physical addresses below; you may also fax the entry form to 216-687-3965 or scan and email the form to studyabroad@csuohio.edu). The entrant may submit multiple photos, but should complete the photo information section for each photo. Submitted photos should be from the student's study abroad experience and indicative of the student's interaction with the local population, culture, or landscape. If the entrant submits more than one (1) photo, the contest judges may at their discretion disqualify all entrant's photos or choose one (1) photo to go forward with judging. Each photo must be submitted in digital format by email or on a CD. No hard copy submissions will be accepted. The photo does not need to be taken with a digital camera; scans of photos are also acceptable. All photos must be submitted in files of 2 megabytes or smaller, must be in JPEG or .jpg format, and, if a horizontal image, at least 1600 pixels wide, and, if a vertical image, at least 1600 pixels tall.

The photo must not have been previously published. Minor corrections, such as cropping or red eye reduction, at the discretion of the contest judges, may be acceptable. The photo must be single work of original material taken solely by the entrant. The photograph must not contain objectionable or inappropriate content, to the sole discretion of the study abroad staff and contest judges.
