

Creating Turning Point Registration Link on Blackboard

1. Log in your Course in Blackboard. If you do not have a course in Blackboard, please call Paul Karol at 216.875.9623.
2. Click on the Build tab. By default, you will be on the Course Content page.
3. Click on the 'Add Content Link', then select 'TurningPoint Registration'.

4. Click on 'Create TurningPoint Registration' button.

5. Enter 'TurningPoint Clicker Registration' on the Title field, then click 'Save'.

Create TurningPoint Registration

* Title:

Settings:

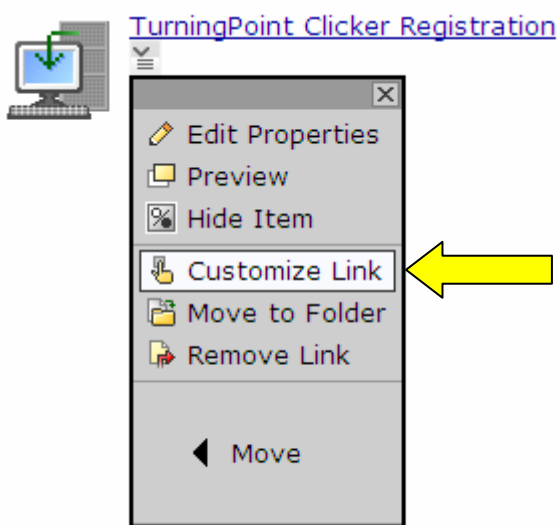

Title	Value
*Operational Timeout	<input type="text" value="10"/>
*Open In New Window	<input checked="" type="radio"/> true / <input type="radio"/> false
*URL of Turning Keypad Page	<input type="text" value="http://ist-web.csuohio.edu/"/>

* Required field

This will create a link from the Course Content Page.

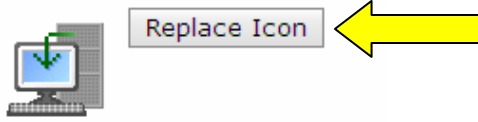

6. (OPTIONAL STEP) To modify the icon, click on the down arrow and select 'Edit Properties'.

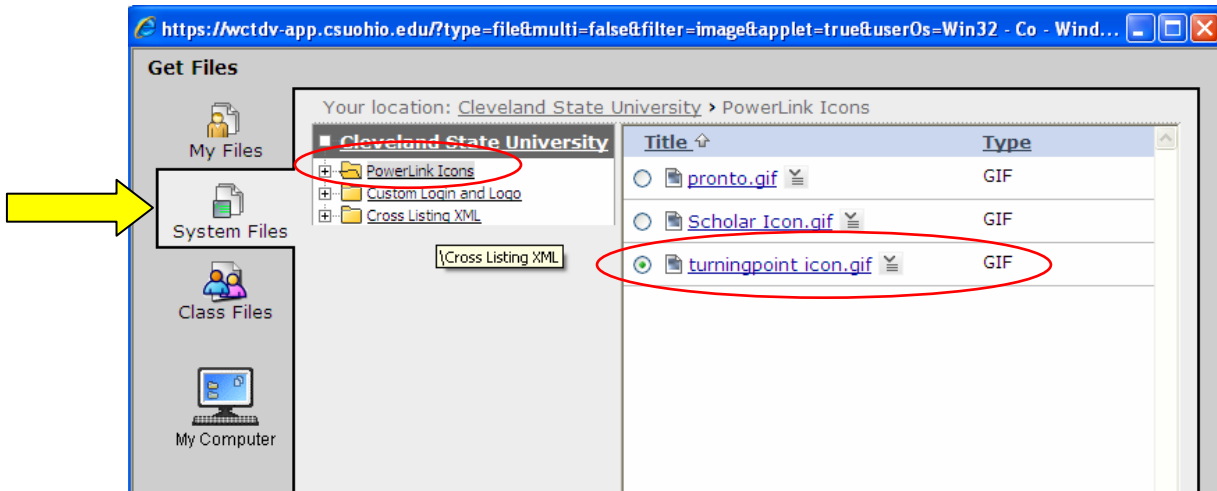

7. Under the 'Custom Icon for this Link' section, click 'Replace Icon' button.

Custom Icon for this Link

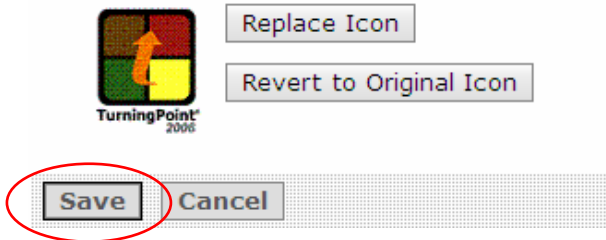

This opens up a new window to select source for icon file.

8. Click on 'System Files', then 'Powerlink Icons'. Select 'turningpoint_icon.gif', then click 'OK'.

9. The new icon will show up under the 'Custom Icon for this Link' section.

Custom Icon for this Link

10. Click 'Save'. The 'TurningPoint Clicker Registration' icon on your 'Course Content' page now displays the TurningPoint icon.
