

Students who were previously dropped from their course(s) due to nonpayment who now wish to have the course(s) restored to their academic transcripts must submit a Petition for Reinstatement.

Required petition components:

- Completed Petition for Reinstatement form
- Typed statement from the student describing the circumstances which prevented timely payment for the course(s).
- Documentation from the instructor(s) of the course(s), confirming that final grades for the course(s) in question are available. Attach a separate statement(s) or utilize the space provided on the reverse side.

*Reinstatement applies to the entire schedule at the time of course cancellation; students cannot select individual courses to be reinstated. For any course(s) in which the instructor is unable to provide a final grade, a failing grade will be assigned. If the reinstatement is approved, payment in full (which may include a tuition surcharge) will be due immediately. Upon proof of payment, the course(s) will be returned to the student's transcript. It is the responsibility of the student to then contact the instructor(s) and arrange for the submission of a final grade(s). **Barring extreme circumstances, a petition for reinstatement will be entertained only once during a student's tenure.***
