Friday Seminar Series - Fall 2007

Ecology, Evolution, & Environmental Science (BIO 684-884, Section 51)

Fridays: 12:00pm-12:50pm

Science Research - Room 255

Instructor: Dr. Fasong Yuan, Phone: (216) 687-3508;
e-mail: f.yuan08@csuohio.edu

Date	Title	Speaker
31 Aug.	"Exploring Microbial Diversity via Molecular Methods"	Dr. Mitali Das Cleveland Clinic Foundation (CCF)
07 Sept.	"Total Suspended Particulates in Old Woman Creek and the Western Basin of Lake Erie"	Dr. Joseph Ortiz Department of Geology Kent State University
14 Sept.	"A Physicist Looks at Sensory Systems: Understanding Snake Infrared Vision And Other Senses"	Dr. Leo van Hemmen Technische Universität, München
21 Sept.	"Remote Sensing of Regional-scale Lake Dynamics"	Dr. Yongwei Sheng University of California at Los Angeles (UCLA)
28 Sept.	"Biomechanics of the Hand and Foot during Quadrupedal Arboreal Locomotion in the Gray Short-tailed Opossum"	Dr. Andy Lammers Cleveland State University
05 Oct.	"Mayflies, Microcystis, and the Muddy Maumee: The Influence of Weather on the Ecology of Western Lake Erie"	Dr. Tom Bridgeman University of Toledo
12 Oct.	NO SEMINAR - Literature Research Day	
19 Oct.	"The Environmental Impact of Synthetic And Organic Fertilizers"	Dr. Roger Funk Vice President and Chief Technical Officer The Davey Tree Expert Company
26 Oct.	"The Sedimentary Magnetic Record of Natural And Anthropogenic Environmental Change: Case Studies from West Africa and Ohio"	Dr. John Peck University of Akron
02 Nov.	"Reducing Agricultural Phosphorus Loading To Lake Erie: A Case Study in Adaptive Management"	Dr. David Baker Heidelberg College

- 09 Nov. **"Hypoxia in Lake Erie"** **Dr. Gerald Matisoff**
Case Western Reserve University
- 16 Nov. **"Documenting the Bowing of Marble and Limestone Panels inside of Historic Structures In Northeastern Ohio, Including the Cuyahoga County Soldiers and Sailors Monument"** **Dr. Joe Hannibal**
Cleveland Museum of Natural History (CMNH)
- 23 Nov. **NO SEMINAR - Thanksgiving Break**
- 30 Nov. **"Tracing Sources of Stream Water Nitrate In a Central Pennsylvania Mixed land-use Watershed"** **Dr. Anthony Buda**
Agricultural Research Service
US Department of Agriculture (USDA)
- 06 Dec. **NO SEMINAR - Research Review Day**
