For a driving maps: <http://www.jcu.edu/pubaff/AboutJCU/maps.htm>

For driving directions: <http://www.jcu.edu/pubaff/AboutJCU/directions.asp>

Driving Directions to John Carroll University:

From 271N, take Exit 32-Cedar Road.

Go right (west) on Cedar to South Belvoir Boulevard.

Go left (south) on South Belvoir to campus (~3/4 mile).

From 271S, take Exit 32-Cedar Road/Brainard Road.

Go left (south) at the end of the exit ramp.

Go right (west) on Cedar to South Belvoir Boulevard.

Go left (south) on South Belvoir to campus (~3/4 mile).

THEN...

See the campus map attached to get to the Dolan Science Center.

On the weekend, the road-gates to Dolan Sci Center may be closed, thus...

...you may need to Enter into the main parking area on South Belvoir.

If kiosk people ask, Professor Mark Waner is our contact for entering Dolan Science Ctr for NCW/ ACS.

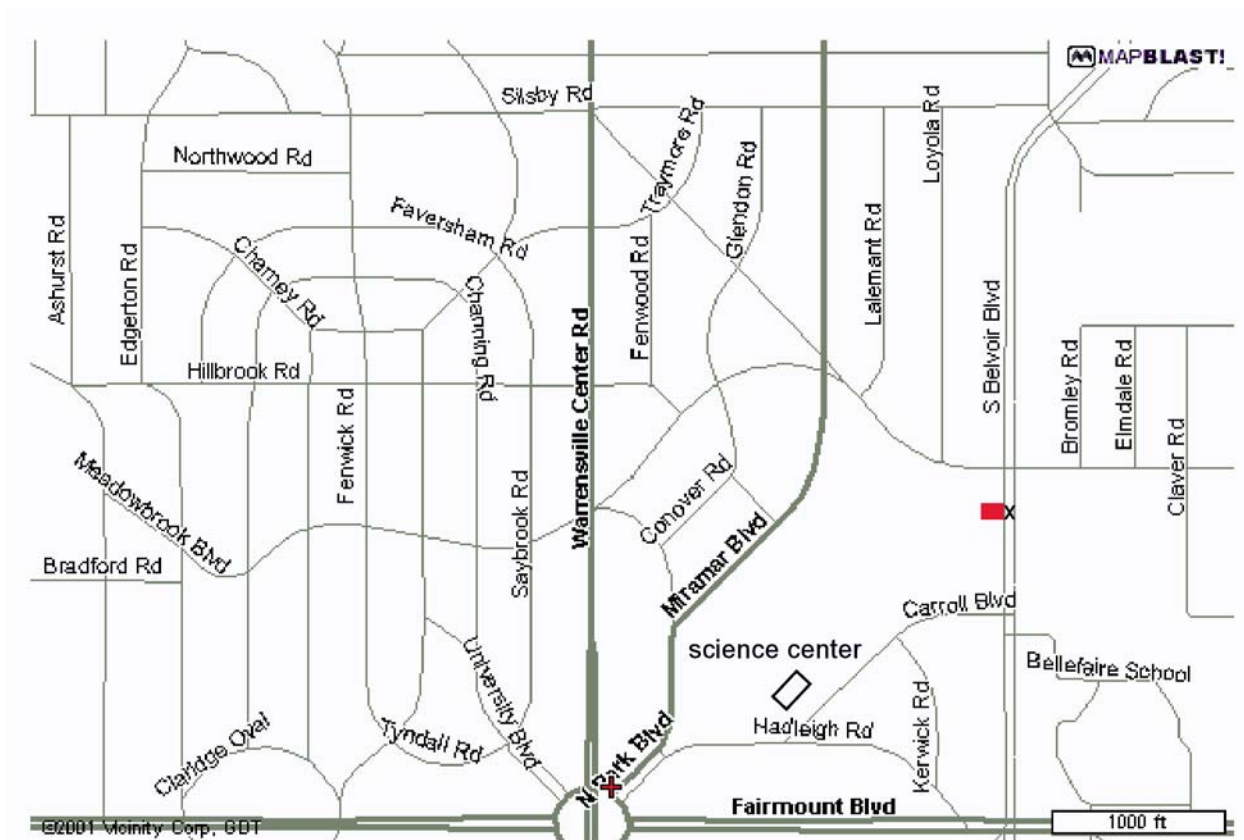

GAK Day and/or Dress Rehearsal parking :

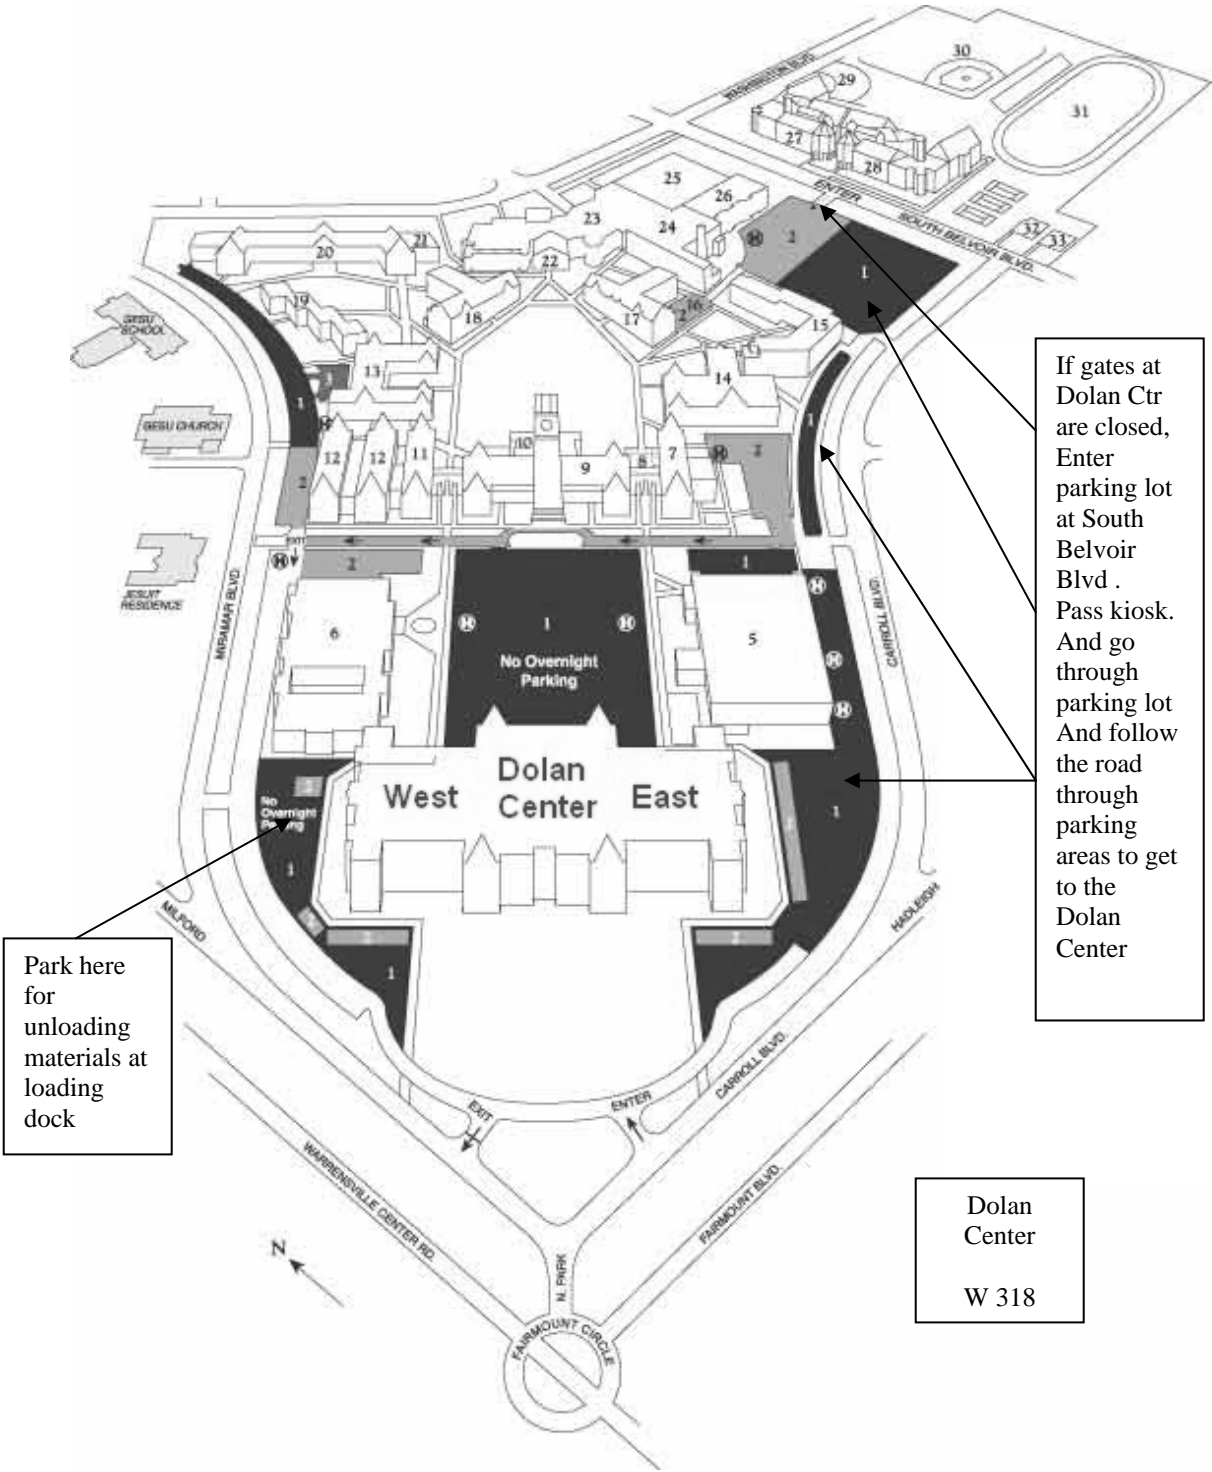

Best off parking on the **West side** of the Dolan Center (closest to the library).
(The one large loading dock will not be used as it is designed for trucks.)
There are some parking spots on the south side of the dock (near the doors to the garage under the building). That would be the most convenient place to unload.

There will be **signs at the main entrance doors throughout the West wing and atrium** of the building.

We'll be in **Dolan Science Center W318**.

John Carroll University

Park here for unloading materials at loading dock

If gates at Dolan Ctr are closed, Enter parking lot at South Belvoir Blvd. Pass kiosk. And go through parking lot And follow the road through parking areas to get to the Dolan Center
