

To the general membership of the Cleveland Section of the ACS,

John Carroll University is looking for a part-time Organic Chemistry professor as a sabbatical replacement for Fall 2009. The qualified candidate should have a Ph.D. in chemistry (ABD could be considered). Teaching hours are negotiable. The likely courses would be Organic Chemistry Lecture and Organic Chemistry Lab(s).

Interested candidates should contact Dr. David Mascotti, Chair of Chemistry, [dmascotti@jcu.edu](mailto:dmascotti@jcu.edu).
