

SEMINAR ANNOUNCEMENT

Powers of 10: A celebration of the film by Charles and Ray Eames

Andrew Resnick, Ph.D.
Department of Physics
Cleveland State University

Abstract: This general-interest seminar, occurring close to 10/10/10, will celebrate the film 'Powers of 10' by using images to explore the topic of relative size. The presentation will focus on laboratory images obtained here, and will discuss methods of imaging in a non-mathematical format. At the conclusion of the talk, the (9 minute) movie will be shown.

Wednesday, October 6th, 2010
12:00 – 1:00 pm
Room SI 117

Pizza and refreshments will be served before the seminar.
