

# **SEMINAR ANNOUNCEMENT**

**The use of Turning Point student response technology to  
facilitate student learning**

**Marc Russell and Melinda Osman**  
Turning Technologies, Youngstown, Ohio

**Abstract:** The seminar will present an overview of the student response systems (clickers) use to transform the classroom into an interactive learning environment and evaluate student performance. Clickers will be made available so that the audience can explore their use, and also the various software and hardware options from Turning Point Technology will be discussed.

**Wednesday, November 17, 2010**

**12:00 – 1:00 pm**

**Room SI 147**

*Pizza and refreshments will be served before the seminar.*
