Noon to 1pm

SI-117

Please join us as we congratulate our Physics Department Science Dean's List Honorees for their outstanding achievement of making the Fall 2007 Science Dean's list. Honorees will be acknowledged during the SPS seminar on Thursday, March 20th from Noon to 1pm in SI-117. Pizza and cookies will be provided. In addition, Karen Wilson will be presenting her research on the properties of Brij-35 Micelles using DSL spectroscopy.
