Student Center Parking is Self Pay by Using the Pay Station

The [Pay Station](#) operates like a parking meter -- you pay for the amount of time needed using a credit card, debit card or cash. Just remember your parking space number, enter it into the Pay Station, request the number of hours you need and submit payment. The Pay Station issues a receipt upon payment that provides you with the time your parking expires

and your space number.

Pay Station rate = \$1 per hour (minimum is 1 hour and maximum is 5 hours).

CSU Prepaid hangtags are not valid in the Student Center garage except for when displayed with a disabled parking placard on vehicles parked in designated disabled parking spaces.

The Pay Station is in force 24 hours/everyday

Citations will be issued on expired spaces every two hours. Please direct questions or comments to parking@csuohio.edu or call 216-687-2023.

CSU Scratch-off Hangtags - CSU Scratch-off hangtags are not valid for parking in Lot 22, under the Student Center or at metered parking spaces.
