Direct Parent PLUS Loan

Frequently Asked Questions

Q1. Who is eligible to apply for a Direct PLUS Loan?

A1. The parent (biological, adoptive, or in some cases, stepparent) of a dependent undergraduate student enrolled at least half-time (6 credit hours) at a participating school may apply for a Direct Parent PLUS loan.

Q2. What are the permitted uses for a Direct PLUS Loan?

A2. In accordance with Federal regulation, proceeds from a Parent PLUS loan may only be used to pay for the student's authorized educational expenses including, but not limited to, tuition, room, board, institutional fees, and books.

Q3. Is there a maximum loan amount?

A3. The maximum PLUS loan amount you can borrow is the Cost of Attendance (COA) minus any other financial assistance received. The student's estimated COA and net costs is available on their "Shopping Sheet" located on the Financial Aid tab in CampusNet.

Q4. Does my debt to income ratio, credit score, or employment status count against me?

A4. These factors are not taken into account when your credit history is reviewed. A lack of credit is also not considered adverse credit.

Q5. What is considered "adverse credit"?

A5. Adverse credit conditions include but are not limited to:

Bankruptcy (Chapters 7, 11, or 12 within the past 5 years).

Note: Direct Loans does not consider Chapter 13 bankruptcy as adverse credit.

Voluntary surrender within the last 5 years.

Repossession within the last 5 years.

Foreclosure proceedings started.

Foreclosure within the last 5 years.

Deed in lieu of foreclosure.

Accounts currently 90 days or more delinquent.

Unpaid collection accounts.

Charge offs/write offs.

Wage garnishment within the last 5 years.

A defaulted loan that has been claim paid.

Lease or contract terminated by default.

County/State/Federal tax lien, within the past 5 years.

Q6. How is credit approval notification handled for the Direct PLUS Loan?

A6. The credit evaluation is requested at the time the Financial Aid Office originates the Direct PLUS Loan. Credit checks are performed by the Department of Education's COD Applicant Services, and borrowers will receive written notification of the credit check result. An "Accepted" award status in the student's CampusNet Financial Aid record and/or award letter does not necessarily mean credit has been approved for the Direct PLUS Loan.

Q7. What options are available should the Direct PLUS Loan be denied?

A7. If a parent is denied credit for a Direct PLUS Loan, the parent may appeal the credit decision or obtain a credit-worthy cosigner (endorser). Direct PLUS Loan endorsers will be able to complete an online Endorser Addendum at StudentLoans.gov. Or a student may choose to receive “additional” Federal Direct Unsubsidized Stafford loan funds (in the amount of \$4000 to \$5000 depending on grade level).

Q8. What additional steps are required to receive the Direct PLUS Loan?

A8. If the parent is eligible for a Direct PLUS Loan, they will be required to sign a Master Promissory Note (MPN), agreeing to the terms of the loan. The parent (borrower) will be required to complete the MPN at StudentLoans.gov. A Federal Student Aid PIN is required to electronically sign the MPN. Need a PIN? Please visit Pin.ed.gov for additional information.

Q9. How does the student receive the proceeds of the Direct PLUS Loan?

A9. Disbursements for Direct PLUS Loans will be deposited in the student’s CSU account. Disbursements will be used to pay current educational charges and minor non-educational charges. Students anticipating financial aid in excess of these charges will receive a refund based on their Higher One refund preference.

Q10. Can a parent choose to receive the proceeds of the Direct PLUS Loan directly?

A10. The parent applicant must initial the appropriate section of the PLUS Request Form to request direct payment. Please understand, this means a check will be issued to the parent borrower and mailed to the address listed on the PLUS Request Form. No portion of the loan will be directly applied to your son/daughter’s account.

Please allow 10 business days following disbursement notification to receive your check by mail. This process may result in a delay in satisfying the student’s account balance at the University. Please review all payment due dates. This option is not recommended for students requiring advanced payment of account charges (e.g. Room/Board) as these charges may be due prior to the move-in-date.

Q11. If a student received the “additional” Unsubsidized loan due to the PLUS denial and the parent subsequently receives credit approval as the result of endorser or appeal approval, can the student keep the “additional” Unsubsidized loan previously awarded?

A11. No, the student is no longer eligible for the “additional” Unsubsidized loan upon the institution’s receipt of PLUS approval. This is true even if the parent decides to cancel the PLUS loan request. The Financial Aid Office will return the “additional” Unsubsidized loan and process the Direct PLUS Loan accordingly.

Q12. What is the current interest rate on a Parent PLUS Loan?

A12. PLUS Loans are fixed at 7.21% for loans first disbursed on or after July 1, 2014.

Q13. Other than interest, is there a charge for this Parent PLUS Loan?

A13. Yes, there is a loan fee on all Direct PLUS Loans. The loan fee is a percentage of the loan amount and is proportionately deducted from each loan *disbursement*. The percentage varies depending on when the loan is first disbursed. The loan fee is 4.292% for loans first disbursed on or after October 1, 2014.

Q14. Are parents required to make payments while the student is in-school?

A14. Your Parent PLUS Loan enters repayment once your loan is fully disbursed (paid out). However, you may contact your loan servicer to request a deferment while you or your son/daughter are enrolled at least half-time (6 credit hours) and for an additional six months after your son/daughter ceases to be enrolled at least half-time.

Additional information, including information about loan repayment, deferment, etc. can be found at StudentAid.ed.gov or by calling Campus 411 All-in-1 Enrollment Services at 216-687-5411.
