This Addendum No. 1 supplements and amends the original drawings and specifications and becomes as fully a part of the first issued documents as if originally issued or originally contained therein. Work herein called for shall be performed in the manner described in the original Contract Documents embracing additions to, deductions from, all changes and substitutions in, or clarifications and emphasis on part of requirements of the drawings and specifications, pertaining to ALL TRADES herewith mentioned for the completion of the PROJECT.

The revisions include:

1. New sheet E-1 to detail electrical requirements for new motor in air handling unit.

2. Alternate path for chilled water pipe through the scene shop with note that if alternate path is used, coordination with occupants of space shall be performed and work must be performed to accommodate their schedule.

3. Victaulic pipe is acceptable to be used as an alternate for chilled water pipe.
