

3344-61-01 Definitions.

This chapter of the Administrative Code, originally approved by the board of trustees effective July 1, 1996, and revised in February 2015, applies to all professional staff members of the university and all other unclassified personnel not included under the faculty and librarian personnel policies, or covered by the university's collective bargaining agreements with the "American Association of University Professors," (AAUP), or "Service Employees International Union, (SEIU). Executive staff reporting directly to the president are not covered by rule 3344-61-04 of the Administrative Code or by paragraphs (E)(1) to (E)(5) of rule 3344-61-07 of the Administrative Code; these professional staff members serve at the will of the president.

- (A) "Professional staff members" are employees of the university and all other unclassified personnel not included under the faculty and librarian personnel policies, or covered by the university's collective bargaining agreements with the AAUP or SEIU, which includes both part- time and full-time staff members.
- (B) "Part-time" is defined as an appointment whose regularly assigned workweek is fewer than forty hours per week, and fewer than thirty hours per week for health benefit eligibility. Individual appointments have to be six months or longer to be eligible for benefits.
- (C) "Full-time" is defined as an appointment whose regularly assigned workweek is forty hours per week over a period of an academic or fiscal year and a minimum of thirty hours per week for health benefit eligibility. An appointment has to be six months or longer to be eligible for benefits.
- (D) "Individual letter of appointment" is a letter, signed by the president, or an authorized university administrator or designee, specifying a professional staff member's conditions of employment and rate of compensation.
- (E) "Immediate family" includes mother, father, brother, sister, spouse, daughter, son, mother-in-law, father-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparent, grandchild, registered same-sex domestic partner, dependents of a registered

same-sex domestic partner, legal guardian, stepparent, stepchild or other person who stands in place of a parent.

- (F) “Unit” defines the area of a staff member’s activity, regardless of administrative level within the university. Unit refers generally to an organizational structure; e.g. a department, office, sector, or center, and normally will be under the direction of a unit head/administrator and a unit supervisor.
- (G) “Salary grade” is an established pay range for each position noting the minimum and maximum salaries for the pay range.

3344-61-02 Appointment and conditions of employment.

(A) Appointment.

Appointments shall be made in accordance with the affirmative action plan of the university as approved by the board of trustees.

(B) Procedures for appointment.

The unit, in conjunction with human resources compensation, develops a job description detailing the duties, responsibilities and minimal requirements and qualifications necessary to perform the functions of the position. Human resources compensation analyzes the description and assigns a salary grade to the position. Following this process, the unit obtains presidential or designee approval, and authorizes university administrator approval to initiate the appointment.

(C) Letter of appointment terms.

Only the president, or an authorized university administrator or designee, may provide a staff member with a letter of appointment, which stipulates the term of appointment, title, salary grade and salary. Professional staff members are considered employees at will, subject to the provisions of these policies. Professional staff members shall receive subsequent notice of salary adjustments, as appropriate.

(D) Professional staff regular and temporary appointment.

There are two categories of appointment: regular or temporary.

(1) Regular Appointment. Regular appointments are identified as regular base-funded or regular funds-available.

(2) Regular base-funded. Regular base-funded are appointments to positions that are funded by instruction and general, general fee or auxiliary funds. The individual occupying the position is designated as full-time or part-time.

- (3) Corresponding employment appointments may be renewed annually.
- (4) Regular funds-available. Regular funds-available are appointments to positions that are not funded by instruction and general, general fee, or auxiliary funds. The position is not assumed to be continuing; continuation is contingent upon funds availability. Consequently, employment letters indicate specific starting and ending dates. The individual occupying the position is designated as full-time or part-time.
- (5) The provisions of paragraphs (E)(1) to (E)(5) of rule 3344-61-07 of the Administrative Code do not apply to staff members hired into regular funds available positions. The appointments of regular funds available employees may be ended without prior notice. Letters of appointment for regular funds-available appointments shall include a statement of these facts.
- (6) Temporary appointment. Individuals hired for a specific project or hired for a similar task on an intermittent basis over an extended period of time (duties that occur sporadically) are categorized as temporary. Employment is contingent upon project need, intermittent workload peaks and funding availability; consequently there is no expectation of continued employment. Letters of appointment shall be either annual, as needed hourly or salaried and shall indicate specific starting and ending dates that are tied to a specific project. Although the time period may not extend beyond one year, the assistant vice president of human resources or designee may grant time extensions, if the extension relates directly to the original project, subject to the renewal of waiver of posting.
- (7) The provisions of paragraphs (E)(1) to (E)(5) of rule 3344-61-07 of the Administrative Code do not apply to temporary professional staff members. These appointments may be ended without prior notice. Letters of appointment for temporary positions shall include a statement of these facts.

(8) Introductory period. Newly hired professional staff members shall serve an introductory period of six months. Staff members promoted or transferred from a bargaining unit or classified position are also subject to this introductory period. This period is designed to permit the staff member's supervisor to ascertain the staff member's skills and potential. The introductory period may be extended for an additional ninety days as requested by the supervisor and approved by the assistant vice president of human resources or designee. The employment of staff members who do not satisfactorily complete an introductory period may be terminated pursuant to rule 3344-61-07 of the Administrative Code.

(E) Job titles and descriptions

(1) Job titles and descriptions provide functional meaning and organizational consistency throughout the university.

(2) Every full-time and part-time professional staff position must have a written job description appropriate to the position and title that shall be provided to the staff member at the time of the initial appointment. The job description shall include title, major duties and responsibilities, minimum job requirements, preferred requirements (if any), supervisory and budgetary responsibility, reporting relationships, salary grade, and other pertinent information, as determined by human resources compensation.

(F) Personnel files and contents

The official personnel file is maintained in the department of human resources. The official personnel file for each staff member shall contain the following in either hard copy or electronic form, if available:

(1) Letter of application and all materials requested or received by the university from persons other than the applicant in connection with the staff member's original employment, including official academic transcripts;

- (2) Offer of appointment, initial date of employment, and letter of appointment;
- (3) Job description(s);
- (4) Documents relating to position classification, grade, and length of time in position;
- (5) Documents pertaining to reclassifications or transfers;
Documents pertaining to salary recommendations;
- (6) Documents pertaining to the staff member's professional activities and accomplishments;
- (7) Performance evaluations and reviews;
- (8) Disciplinary actions and information pertaining to disciplinary actions; personnel actions pertaining to extended leaves;
- (9) Information pertaining to separation from employment.
- (10) All personnel files are public records. The professional staff member, the staff member's supervisor, university general counsel, institutional equity and prospective supervisors, may view the personnel file without written request. All other requests must be submitted by a public records request. The professional staff member, whose file is being viewed as a result of a public records request, shall be notified of the request in writing by the department of human resources.
- (11) Other personnel related files containing benefits information, workers' compensation, medical, "Family Medical Leave Act" (FMLA), or "American Disability Act" (ADA) information shall not be maintained in the official personnel files and shall not be available for public inspection.

- (G) Joint appointments
- (1) Persons with appropriate qualifications may be given a joint appointment to the faculty and professional staff. In such cases, appointment procedures for both faculty appointment and professional staff appointment must be followed.
 - (2) Upon appointment, such persons shall enjoy the procedural rights of the professional staff as to their professional staff employment so long as their appointment for executive, professional, or administrative work is in effect.
 - (3) This section does not prohibit the granting of academic tenure to personnel on joint appointments involving an academic department.
 - (4) Adoption of these professional staff rules shall not divest a person of any tenured faculty status acquired prior to initial adoption.
- (H) Nepotism. The university may employ members of the same immediate family, on a full-time or part-time basis, so long as neither family member is responsible for the decision to hire, supervision, direction, evaluation or recommendation as to merit increases for the other. Relationship by family, marriage, or partnership shall constitute neither an advantage nor a deterrent to appointment in the university, provided the individual meets and fulfills the appropriate appointment standards.

3344-61-03 Annual performance evaluations.

- (A) Cleveland state university is committed to promoting a highly engaged employee workforce. To achieve this, overall institutional goals are communicated, which are subsequently incorporated into college or department and individual staff member specific goals. Cleveland state university aligns the efforts of staff members towards achievement of university goals by providing performance planning, assessment, coaching and development.
- (B) General. The department of human resources is responsible for the development, implementation, ongoing maintenance and training of the performance management system. All full and part-time professional staff members are required to participate in the annual performance appraisal process. Each supervisor is charged with ensuring the timely completion of the performance evaluation, approved by their immediate supervisor, prior to discussions with the staff member.
- (C) The final performance evaluation, a shared responsibility between the staff member and supervisor, shall reflect each perspective on the attainment of previously established goals, an objective review of job competencies, and the execution of job responsibilities. The evaluation shall conclude with an overall supervisory rating with comments pertaining to the performance cycle, focusing on areas of achievement, areas for improvement, and goals for the subsequent year.
- (D) Responsibilities.
 - (1) Annual evaluation. Performance evaluations shall be completed annually. Professional staff members whose hire date is less than six months prior to the end of the evaluation cycle shall not be eligible for a merit adjustment, but may participate in a mid-year review.
 - (2) Implementation. The professional staff member's immediate supervisor is responsible for the timely completion and submission of the annual performance review. As part of this process, the supervisor ensures that the staff member and the next level supervisor have had

input into the review process. The staff member must acknowledge that the performance discussion was held by providing an electronic signature.

- (3) Professional staff members are encouraged to add their final comments following the discussion of the evaluation with the supervisor using the comments section under the overall rating tab.
- (4) Review of performance evaluation. A staff member who disagrees with the overall performance evaluation rating may request a review by the department of human resources. The staff member must submit a written statement detailing the basis for the challenge with any relevant documentation supporting the claim. The assistant vice president of human resources or designee, shall review the submission and take whatever remedial action that may be warranted.
- (5) The staff member's written statement must be submitted to their supervisor and human resources within ten working days after the final performance discussion. The staff member's rebuttal, plus any additional documentation resulting from it, shall be attached directly to the electronic performance assessment form. Additionally, the next level supervisor must be apprised of the rebuttal and any subsequent action.
- (6) The results of the performance evaluation process, including the individual and overall rating scores and eligibility for any merit award based on the scores, shall not be subject to the complaint resolution steps and process set forth in paragraph (G) of rule 3344-61-08 of the Administrative Code.

3344-61-04 Job classifications and salary adjustments.

Job classifications and salary adjustments are administered in accordance with the Cleveland state university professional staff compensation program.

3344-61-05 Administrative leave.

When the president of the university or designee determines that the continued presence of a staff member on the campus constitutes a substantial interference with the orderly functioning of the university or of an area, unit, department or college, a professional staff member may be placed on administrative leave pending review. Such leave may be with or without pay.

3344-61-06 Progressive corrective action.

- (A) The purpose of progressive corrective action is to impress upon a staff member the need to improve performance or behavior. Progressive corrective action is encouraged to the extent practicable and appropriate. Progressive corrective action may include oral and written warnings. Nothing limits the right of the university to bypass progressive corrective action and immediately suspend or dismiss a professional staff member for any offense that, in the university's sole discretion, is of such a serious nature that use of progressive corrective action is not appropriate or warranted.

- (B) In any disciplinary matter where the charge is sexual discrimination or harassment of a student, or a claim of sexual violence that occurs on or near campus, the complainant will receive notice of hearings/meetings and outcomes at the same time the employee receives such notices, and the complainant may attend hearings/meetings with one support person.

3344-61-07 Termination of employment.

- (A) The employment of a professional staff member may be terminated by resignation, retirement, removal during introductory period, termination of appointment, layoff, or dismissal.
 - (1) Resignation. Professional staff members have an obligation to provide the university a written notice of intent to resign. Notice should be given to the immediate supervisor and forwarded to the appropriate administrative officer at least thirty days, or less if mutually agreed upon by the supervisor and the staff member, before termination of service.
 - (2) Retirement. A professional staff member planning to retire should give written notice of intent to their immediate supervisor at the earliest date possible, but not less than thirty days before termination of service.
- (B) Termination of appointment.
 - (1) Requests for termination of an appointment during an introductory period, accompanied by appropriate documentation, must be approved by the human resources department and the vice president responsible for that division, and may be implemented without prior notice after the approval is received.
 - (2) Recommendations to terminate all other appointments are to be made to the president or president's designee and shall be accompanied by documentation from the appropriate administrative officers.
 - (3) If the president or the president's designee concurs with the recommendation(s), the president, or designee, shall direct that a notice of the termination of appointment be sent by regular and certified mail to the professional staff member's home address which is on file with the university. Such notice shall be deposited in the mail no later than the number of days prior to the termination of the professional staff member's appointment as described in the table set

forth in paragraph (B)(5) of this rule. It is the professional staff member's responsibility to regularly update the university with address change information.

- (4) The professional staff member in the second year or more of professional service at the university is entitled to be apprised of the reasons for termination of appointment in writing and may request a review of the decision through the complaint resolution procedure, as provided in rule 3344-61-08 of the Administrative Code.
- (5) Termination notice.

The amount of notice received will be based upon continuous years of university service since the last date of hire.

Post introductory period to three years	Four weeks
Four to six years	Six weeks
Seven to ten years	Eight weeks
Eleven to fourteen years	Ten weeks
Fifteen or more years	Twelve weeks

- (C) Exceptions. The provisions of this section are not afforded to the categories of personnel listed below. Those employees may be terminated with legal reason, at any time and without reference to the notice periods set forth in paragraph (B)(5) of this rule:
 - (1) Staff members serving an introductory period;
 - (2) Staff members hired into funds-available positions; and
 - (3) Staff members hired into temporary positions.
- (D) Layoff.

Termination of professional staff members prior to, during, or at the end of an appointment period may occur because of a financial emergency or because of reorganization or position elimination. Such a termination of appointment shall be designated a layoff.

- (1) Layoff due to financial emergency. Layoff of a professional staff member may occur, when deemed necessary by the president or designee, due to a financial emergency as declared by the board of trustees. Upon occurrence of the layoff, the individual's termination document shall designate that the layoff was due to financial emergency.
- (2) Layoff due to reorganization or position elimination. Layoff of professional staff members at the university may occur when reorganization is deemed necessary due to a budget or program decision requiring program discontinuance, curtailment, or redirection. Position elimination occurs due to budgetary constraints or when, in the university's discretion, the position is no longer required. Such positions may not be backfilled.
- (3) Reorganization or position elimination must be reviewed by the department of human resources and approved by the president or designee. Upon occurrence of the layoff, the staff member's termination document shall designate the reason of either reorganization or position elimination.

The offer shall be sent to the last known mailing address of the staff member, who shall have a reasonable time, not to exceed fifteen days from the date that the letter is mailed, within which to accept or decline the offer of re-appointment.
 - (d) The staff member being laid off shall be entitled to a hearing in accordance with the procedures provided in rule 3344-61-08 of the Administrative Code, complaint resolution procedures, if the staff member requests such a hearing. Such a hearing may occur subsequent to layoff.

(7) If the dismissal is initiated at the vice president or the provost level, after consultation with the assistant vice president of human resources, all appropriate documents shall be forwarded to the president or designee for approval to proceed.

(F) Procedures for initiation and notification of dismissal of professional staff members.

3344-61-08 Complaint resolution procedure.

- (A) It is understood that the prompt presentation, adjustment and response to staff complaints is desirable in the interest of sound employee relations. The prompt and fair disposition of complaints involves the important and equal obligations and responsibilities, both joint and independent, on the part of the university and the complainant to protect and preserve the complaint resolution procedure as an orderly means of resolving complaints.
- (B) Any claims of unlawful discrimination or harassment under federal and state civil rights laws, fair employment practice acts, or university policy shall not be processed through this complaint resolution procedure. Such claims shall be first discussed by the claimant with the university's director for institutional equity as a means of achieving an informal resolution of the claim. If an informal resolution is not possible, the claimant may file a formal written complaint with the university's office for institutional equity. The claimant and respondent shall have access to the resources available through the university's office for institutional equity.

If a complaint is related to a claim of sexual discrimination or harassment of a student, or a claim of sexual violence that occurs on or near campus, both the complainant and respondent to that claim will receive notice of hearings and outcomes at the same time, and both parties may, with one support person, participate in hearings. The complainant will have equivalent rights to appeal as the respondent, including to appeal if he or she believes sanctions are too light. The resolution of the complaint may be altered as a result of such appeal.

- (C) When other complaints arise, the professional staff member shall attempt to resolve the issue with his or her immediate supervisor through discussion, mutual understanding, and documentation if appropriate.
- (D) Dismissals as described in paragraphs (E)(1) to (E)(5) of rule 3344-61-07 of the Administrative Code are not subject to the provisions of this section. A dismissal hearing may be requested under that paragraph.

- (E) Classification determinations by human resources compensation are not subject to the provisions of paragraph (G) of this rule. For classification appeals, professional staff members may utilize the appeal process set forth in the professional staff compensation program.
- (F) Procedures for complaint resolution under this section.
 - (1) A complaint, under this rule, may be brought by any professional staff member.
 - (2) A complaint is defined as a dispute or disagreement concerning the alleged misapplication of, misinterpretation of, or failure to comply with specific provisions(s) of this chapter, unless otherwise noted.
- (G) Complaint resolution steps and process.
 - (1) No parties may have legal representation present at any step in the complaint process. The professional staff member may invite a support person (e.g., relative or friend) of their choice to attend meetings, but the person may not act as the professional staff member's representative or present argument on the staff member's behalf. Such individual may only consult with the complainant.
 - (2) When complaints arise, the following procedure shall be followed.
 - (a) Pre-step: The professional staff member and their immediate supervisor shall meet to attempt to work out the complaint on an informal basis. If the complaint is not resolved under this informal method, the professional staff member shall proceed according to the steps in this paragraph.
 - (b) Step one: The professional staff member shall first present a written complaint to their department head, or designee, within ten working days of the

event upon which the complaint is based. Within ten working days after receipt of the complaint, the department head, or designee, shall schedule a meeting with the aggrieved professional staff member to discuss the complaint and listen to the complainant's explanation. Following the meeting, the department head, or designee, shall issue a written response to the complaint within ten working days.

- (c) Step two: If the complaint is not satisfactorily settled in step one, the aggrieved staff member may file a written appeal with the assistant vice president for human resources, or designee, within ten working days after the receipt of the step one decision. The assistant vice president for human resources, or designee, shall schedule a meeting with the aggrieved professional staff member, supervisor, department head or other appropriate university personnel within ten working days after the receipt of the appeal and shall render a written decision within ten working days after the close of the meeting. A copy of the written decision shall be sent to the complainant. Such decision will be final.
- (d) Step two of the complaint resolution procedures set forth in this paragraph is the final step of the internal appeals process.

3344-61-09 Leaves of absence with pay.

- (A) Family and medical leave. The university complies with the requirements of the Family and Medical Leave Act. The university retains the right to implement regulatory technical corrections as necessary to comply with the law.
- (B) The Family and Medical Leave Act provides eligible staff members with up to twelve weeks (four hundred eighty hours) of leave for certain family and medical reasons. Cleveland state university requires staff members to substitute any available accrued sick leave, accrued vacation, or compensatory time (comp time) in this stated order of priority, for any unpaid FMLA leave. Substitution of paid leave for unpaid FMLA leave does not extend the length of FMLA leave. Paid leave shall run concurrently with the staff member's FMLA entitlement.
- (1) Accrued sick leave shall be used when the FMLA leave is for the staff member's own serious medical condition or to care for the staff member's spouse, registered same-sex domestic partner, son, daughter, or parent (but not in-law) with a "serious health condition" as defined in the Family Medical Leave Act.
- (2) Accrued vacation time shall be used for all other FMLA leaves and after accrued sick leave is exhausted.
- (C) Vacation leave. Full-time professional staff members earn vacation leave at the rate of one point eight three days a month or a total of twenty-two workdays per year, prorated for the nine month or ten month academic year. Professional staff members appointed to a part-time position of one-half time or more shall earn vacation leave on a prorated basis. Professional staff members appointed at less than one-half time or for less than six months shall not earn vacation leave.
- (1) Vacation requests. Vacation leave shall be available to the staff member to the extent earned, provided that the staff member's supervisor or unit head approves the dates for such leave in advance.

- (2) Annual carryover limit. Professional staff members are expected to use accrued vacation leave periodically. Vacation leave accumulation may not exceed forty-four days at any time within a fiscal year. On June thirtieth of each year, no more than thirty days of accrued vacation shall be carried forward to the next fiscal year. The assistant vice president for human resources may, in extenuating circumstances, grant an exemption to the carryover limitation upon the written request of the professional staff member and with support from the professional staff member's immediate supervisor and approval from the next higher level of management.
- (3) Payout upon termination and cancellation of credit. At termination of employment, payment of unused vacation leave to a maximum of twenty-two days shall be made. Payment of unused vacation leave under this rule eliminates the remaining vacation credit after the maximum payout is made. Following submission of a resignation or retirement notice, a staff member may use a maximum of five days of vacation leave with supervisor approval.
- (4) Reporting procedures. Utilization of time should be reported in accordance with the university's payroll procedures.

(D) Holidays.

- (1) The university recognizes the following ten days as paid holidays.
- (a) New Year's day
 - (b) Martin Luther King day
 - (c) Presidents' day

 - (e) Independence day

- (f) Labor day

 - (b) Presidents' day
 - (c) Columbus day
- (3) To be eligible for holiday pay, a staff member must be in active pay status the day before and the day following the holiday.
- (4) Holiday payment for part-time staff members. Part-time professional staff members are entitled to holiday pay for that portion of the day they normally would have been scheduled to work if the university designates that day as a holiday.
- (5) Holiday payment for alternate work schedules. If a full-time professional staff member's work schedule is other than Monday through Friday, the staff member shall be entitled to holiday pay for holidays observed on a regular day off regardless of the day of the week on which they are observed.
- (E) Period of professional obligation. Exempt professional staff members may be expected or assigned to work more than forty hours in a given week if necessary to complete the responsibilities

of the department. They are not eligible to receive overtime pay or compensatory time. However, for special circumstances the supervisor may allow for a temporary schedule adjustment.

(F) Sick leave. Sick leave with pay is a benefit available during absence due to personal routine medical care, illness, injury, or exposure to contagious disease; for the illness or medical attention of a member of the immediate family; death of a member of the immediate family. The immediate family, for the purpose of bereavement leave, includes mother, father, brother, sister, spouse, daughter, son, mother-in-law, father-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparent, grandchild, registered same-sex domestic partner, dependents of a registered same-sex domestic partner, legal guardian, stepparent, stepchild or other person who stands in place of a parent.

Staff on less than full-time appointments shall receive sick leave credits proportionate to the percentage of time or hours worked.

(b) Approval of sick leave requests. For planned absences, the staff member must notify the appropriate supervisor and gain prior approval. For unplanned absences, sick leave may be taken with the approval of the appropriate supervisor as soon as practicable, presumably on the first day of absence. In the absence of such notification and

approval, time may be charged to vacation leave or unauthorized absence with an appropriate pay adjustment. The university reserves the right to require proper evidence of illness in cases of planned and unplanned absence and prolonged or repeated absence.

- (c) Transfer of sick credit from other public or state employers. If a staff member transfers from one department of the university to another or from the university to another Ohio public agency, or from another state of Ohio agency to Cleveland state university, accumulated sick leave credits will transfer insofar as is allowed by law. The former employer of the staff member transferring credits from another state of Ohio agency or public employer must furnish proof to the university, in writing, of sick leave credits.
 - (d) Exhaustion of paid sick leave. If the absence due to the staff member's illness or injury or immediate family member extends beyond the availability of accrued sick leave, the staff member may request the use of accrued vacation leave and compensatory time.
- (3) Requests for unpaid absence. Professional staff members not eligible for family and medical leave and who do not have available accrued sick leave, vacation leave or compensatory time, may request an unpaid leave due to personal illness, injury or disability; or illness or injury of the immediate family, up to three months in length.
