

GATEWAY COURSES

FACULTY LEARNING COMMUNITY

Faculty who teach gateway courses, defined as those 100 and 200 level courses that have more than 100 students enrolling over a calendar year, are invited to apply to participate in a faculty learning community that will examine how to apply current psychological science to their teaching to improve student success in their courses. Co-facilitated by Drs. Joanne Goodell (Teacher Education) & Conor McLennan (Psychology).

All sessions will be 75 minutes and are scheduled on Mondays 10:00-11:15 am.
We plan to host these sessions in-person (location TBD).
