

## Academic Program

---

Through this program, students will learn how to plan and execute marketing research for a business client. Students will form research teams, design research projects, write research proposals, conduct background research and identify British organizations and target segments to interview. The program will also expose students to an unforgettable cultural and business experience by exploring and studying in London. Students will develop teamwork skills by working within their CSU teams and with their partner students at BUCKS New University. Completed group reports are submitted at the end of the first 6-week summer session.

Undergraduate students should enroll in MKT 440: Field Experience Abroad. Graduate students should register for MKT 640: Field Experience Abroad. Both classes are 4-credit hour courses offered during the first 6-week summer session. The course includes the study abroad program in May, as well as four mandatory pre-departure meetings held at 6 pm on February 14, March 7, April 4 and May 2, 2014.

## Eligibility

---

Minimum undergraduate cumulative GPA of 2.0; minimum graduate cumulative GPA of 3.0. At the time of application, the applicant must have completed at least two semesters at CSU if a first year student, and at least one semester if a transfer or graduate.

student. The applicant must have not have an unpaid balance on their Treasury Services account and no infractions of the Student Code of Conduct which would prevent successful participation on the study tour.

## Cost

---

The program cost is \$2500. The cost includes:

- Roundtrip Airfare
- Lodging
- Breakfast
- In-Country Transportation
- An International Student Identity Card

The cost does not include CSU tuition for the required 4 credit course. To view the current tuition rates, go to [csuohio.edu/tuition](http://csuohio.edu/tuition). The cost may change due to increases in airfare and/ or the exchange rate. Students should budget an additional \$400-500 for lunch, dinner, souvenirs, and sight-seeing and tours. Students are personally responsible for passport or visa fees, health insurance, and personal souvenir purchases and sightseeing.

## Billing

---

The \$2,500 cost is broken down into 2 payments:

- \$200 payment due with application (see application for instructions on how to make this payment).
- \$2300 will be due on March 7, 2014. If payment is not made by that date or if the student has not made arrangements to pay using spring Financial Aid, then the student will be removed from the program.

## Financial Aid

---

Students may use summer financial aid to pay for the \$2300 program fee due on March 7.

In order to apply summer financial aid toward these fees, the student must provide the Education Abroad office with a copy of their financial aid award letter reflecting that the student has enough summer aid to cover both their tuition costs for all courses taken in the summer term and the \$2300 program fee. The student must also provide the Education Abroad office with their summer course schedule. All of these documents must be submitted to the study abroad office by the March 7th deadline.

If you have any questions about using financial aid toward the study abroad cost, please contact the Education Abroad office.

## Scholarships

---

Two scholarships are available to students on the CSU in England program. Eligible students can apply for the CISP Education Abroad Scholarship and the Donald Scotton Scholarship.

## Do I need a Visa?

---

If you are not a United States citizen (even if you are a Permanent Resident), you may need a visa to enter England. If you have any questions regarding visas, contact the Education Abroad Office.

## Program Description

---

This study abroad experience provides students with hands-on research skills, the opportunity to travel, and interaction with many sectors of the British business community. During spring semester, teams of students will be provided a client who is seeking research in England. Prior to departure, the student teams will prepare research proposals based on client needs. Students will then spend 10 days in England during the break between spring semester and first summer session conducting research and interviews with British organizations, businesses, agencies and consumers. Students and faculty at BUCKS New University outside of London will host the CSU group.
