

# BECOME A CSUREC EVENT PARTNER!

## WHAT IS A CSUREC EVENT PARTNER?

A CSU Rec Event Partner are those companies that choose to support multiple CSU Rec events via sponsorship and involvement. It's also a great way to save some money by essentially "bundling" event sponsorships, getting the biggest bang for your buck!

Event Partners can choose between individual semesterly options and our annual option. All Event Partner options give you Gold-level or T-Shirt-level sponsorship value and deliverables (depending on what sponsorship levels are offered) at each of the included events. Join today!
