

**Financial Requirements for International Students
Cleveland State University
2013-2014**

All international students must show financial support (tuition and living expenses) for one full academic year.

Financial documentation must be presented in order for Cleveland State University to issue an I-20 (F-1) or DS 2019 (J-1) form. The financial verification and I-20 or DS 2019 must be presented at the U.S. Embassy or consulate when applying for either an F-1 or J-1 Visa. Please have two original financial documents prepared:

- One for Cleveland State University and
- One to present to the U.S. Embassy or Consulate.

Note: All financial documentation MUST be original, dated and issued within the past year. If your documents indicate currency other than U.S. dollars, we will convert the currency amount based upon the exchange rate of the date in which the financial support documents are received.

The following documents or a combination are acceptable:

1. An original bank statement in your name, which indicates the amount of funds available.
2. An original bank statement in your guarantor's name (sponsor or parent) that indicates the amount available accompanied by a letter of confirmation from the guarantor of his or her intention to provide support. **The bank statement MUST indicate a minimum amount held in the account, on bank stationary with a telephone, FAX number and street address.**
3. An Affidavit of Support (I-134 form) if your sponsor is a US citizen or Permanent Resident of the U.S. The form can be obtained from our office or it can be downloaded at:
