Getting Started with Tegrity links from http://help.tegrity.com

1. "What are the requirements for creating a recording?"
   (System and browser requirements) See: http://help.tegrity.com/kb/what-are-the-requirements-for-creating-a-recording

2. How to: Install Recorder (Windows)
   See: http://help.tegrity.com/kb/how-to-install-recorder-windows

3. How to: Install Mac Recorder
   See: http://help.tegrity.com/kb/how-to-install-mac-recorder-2

4. Instructors: Getting Started
   see: http://help.tegrity.com/kb/instructors-getting-started

5. Info: Instructor vs. instructional camera/video
   see: http://help.tegrity.com/kb/info-instructor-vs-instructional-camera-video
   This shows visually the main area of the recording (the instructional window) and the smaller instructor video area in the upper right corner.

6. Help for Instructors
   see: http://help.tegrity.com/kb/help-for-instructors Contains list of links to common tasks related to Tegrity use by an instructor

7. How to: Use Tegrity on your iOS devices
   see: http://help.tegrity.com/kb/how-to-use-tegrity-on-your-iphone-itouch-or-ipad

8. How to: Generate a Connection Code
   see: http://help.tegrity.com/kb/how-to-find-your-connection-code (you need to use a regular web browser to get the code to activate the Tegrity Mobile App).

9. [How to: Rename a recording](http://help.tegrity.com/kb/how-to-rename-a-recording)
   see: http://help.tegrity.com/kb/how-to-rename-a-recording

10. [How to: Delete a recording](http://help.tegrity.com/kb/how-to-delete-a-recording) see: http://help.tegrity.com/kb/how-to-delete-a-recording

11. [How to: Re-upload or Re-queue a Recording (PC)](http://help.tegrity.com/kb/how-to-reupload-a-recording-on-a-pc) see:
    http://help.tegrity.com/kb/how-to-reupload-a-recording-on-a-pc

12. [How to: Move a recording](http://help.tegrity.com/kb/how-to-move-a-recording) see: http://help.tegrity.com/kb/how-to-move-a-recording
    Recordings need to be moved from their original course when there is a
    Blackboard Course Copy of the original Blackboard Course into a current course
    shell. Tegrity Classes presentations don't copy with the Bb course copy.

13. [Can instructors download recordings to their own backup devices?](http://help.tegrity.com/kb/can-instructors-to-their-own-backup-devices) See:
    http://help.tegrity.com/kb/can-instructors-to-their-own-backup-devices

14. [How To: Install Tegrity Download manager on a PC](http://help.tegrity.com/kb/install-tegrity-download-manager-on-a-pc)
    See: http://help.tegrity.com/kb/install-tegrity-download-manager-on-a-pc

15. [How to: Locating a downloaded Recording on a PC](http://help.tegrity.com/kb/how-to-locating-a-downloaded-recording-on-a-pc) see:
    http://help.tegrity.com/kb/how-to-locating-a-downloaded-recording-on-a-pc
