Promotional Communication**

How would you describe yourself? 

I'm a Christian, a nerd, an optimist, and a perfectionist. Thanks to college, I'm starting to find I'm just as good at procrastinating as I am at over-achieving! I feel that I care a lot about others and about improving myself. I'm also a bit weird and like being friendly to everyone I meet.

What is your favorite food?

It's so hard to pick one! I love pretty much all food, except for olives, mushrooms, and seafood that is slippery. But I do love pizza, cheeseburgers, macaroni salad, scrambled eggs, and Oreos.

What is your favorite part of being a Scholars student? 

The Honors Lounge! I love having a place to hang out with friends and meet people here at CSU, since I'm a commuter and having more options of places to study. I also enjoy trying to not get destroyed in Smash Bros. on the Wii, but I'm not very successful at that...

What do you like to do in your free time?

I love to crochet, which I just learned how to do this summer! I also love to take way too many photos of nature. I play the ukulele, read, watch TV, and hang out with my family, friends, and boyfriend Zac.

Favorite musician? 

My favorite band is The Beatles, but I also love Ingrid Michaelson and Jason Mraz.

What are your plans after graduation?

After graduation, I hope to have a marketing or communications job at a non-profit organization in the Cleveland area. My sole desire for a future career is to work for non-profits in some way that can help people to show God's love. Whether by working to improve poverty housing, homelessness, or hunger in our city, or by helping the sick, youth, or elderly, I just hope to help others.
