**Additional Information:**

**Assumptions:** College-level readiness in MATH and ENG, no Foreign Language Deficiency (FLD). Note: this is different from the Foreign Language Requirement (FLD) which is a requirement in the College of Liberal Arts and Social Sciences at CSU.

(WAC) Counts as a Writing Across the Curriculum course for university graduation requirements (only if taken at CSU). Students must earn a grade of "C" or better to receive WAC credit.

Courses listed with \* must be completed with "C" grades or better.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence credits must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

Students who do not complete the Associate of Arts degree are responsible for the completion of the entire General Education Requirements at Cleveland State University.

This map represents one example of how to complete the AA and BA/BS degrees. Students should work closely with counselors/advisors at both institutions to discuss options.

This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36-40 credits of the Ohio Transfer Module (OTM), which are approved Tri-C general education requirements. OTM details can be found at <https://www.ohiohahered.org/transfer/transfer.module>.
