<b>Bachelor of Arts Degree Awarded</b>			

A grade of C or higher must be earned in all courses used to fulfill requirements for the major

\*Arts and Humanities electives must represent two different disciplines

\*\*Social Sciences electives must represent two different disciplines

\*\*\*Student may select from these required courses: ARTS161, ARTS 171, ARTS 151, ARTS 158, ARTS 185

^If foreign language is not selected, students may select a general elective but should be aware additional credits may be required to reach the 60 credit hours minimum to earn an AA degree.

^^Six upper division studio courses must be in at least two different studio areas (18 credits). One course may be at the 100-200 level, at least 5 must be at the 300-400 level. Students are encouraged to meet with their major advisor to review the studio art elective options.

Students who do not complete the Associate degree will need to complete additional General Education requirements at Cleveland State University.

This map represents one example of how to complete the AA and BA degrees. Students should work closely with counselors/advisors at both institutions to discuss options.

#### Additional Information:

**Assumptions:** College-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). Note: this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at CSU.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence credits must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
