This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36-40 credits of the Ohio Transfer Module (OTM), which are approved Tri-C general education requirements. OTM details can be found at <https://www.ohiohighered.org/transfer/transfermodule>.

Additional Information:

Assumptions: college-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). NOTE-this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at CSU.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
