Dear Students, Faculty and Staff:

I wanted to acknowledge that yesterday I failed to express my personal outrage over a recent incident involving an anti-LGBTQ+ poster that was recently posted on campus.

While I find the message of this poster reprehensible, the current legal framework regarding free speech makes it difficult to prevent these messages from being disseminated.

However, let me make it clear that I am committed to promoting a safe and inclusive campus for all members of our community.

I recognize this incident has created significant concern around the campus and invite you to join me and members of my staff tomorrow, **October 18 at 2 p.m. in the Main Classroom Auditorium** to discuss your concerns.

If you are unable to attend, please send me your thoughts at hl.president.berkman@csuohio.edu and I will respond back to you.
