## FOCUS WORK

Combining outstanding ergonomics, exceptional comfort and a stylish aesthetic, the top-selling Focus Work is the core of the Focus seating family. Available with a full range of options, including mid and high-back variations, silver or black frames, plus a full range of arm and adjustable mechanism options, Focus Work is the ingenious solution to any range of office, conference or specialty spaces.

## FOCUS SIDE

A versatile, high-performance guest seating option, the Focus Side chair combines the elegant design and remarkable comfort of the Focus Work chair with the convenience of a multipurpose chair. Select from a silver or black frame and add arms, casters or a tablet to create the perfect chair for any corporate, educational or institutional application.

Besides the standard Focus mesh colors (black, slate and sand) the Focus Side is available in the same vibrant mesh colors as Amplify, making it the perfect complement to the Amplify task chair.
