LEADERS IN TRAINING PROGRAM

We are excited to offer our Leaders in Training program for 13-14 year old kids again this year. This program allows participants the opportunity to set up their own activities under the guidance of our counselors. Activities will be primarily separate from normal camp and will be more age appropriate. There will also be a skills training each week.

Each participant must maintain a certain standard to continue in the program. Individuals with poor behavior will be moved to a younger age group or removed from the program with no refund.
