

Student Spotlight: J Delmege

Where are you from?:
Pasadena, Maryland.

What is your major?
Education.

How would you describe yourself?
Outgoing, Accepting, Kind, and Fun.

What are you plans for after graduation?
I would like to teach in a high school, and continue my own education. I would love to get married and start a family one day.

What is your favorite part about being in the Scholars Program?
The people! Everyone is just super nice!

What do you like to do in your spare time?
I like to listen to and play music. I play any brass instrument beside trombone. I like kendama which is kind of like yo-yo, (it's from Japan).
