<td><strong>Semester Total 15</strong></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Degree Total (as listed in above table): 120-121 (120 hours minimum required to earn degree)**

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

**Notes:**
- Only one QL course can be applied to the M/QL requirement. The other course must be an MTH course.

### College/Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum total credit hours, of which a minimum of 42 credit hours must be upper division (300 or 400-level courses). Depending upon other choices made, students may not need as many electives as indicated above, or may need additional electives.

**University Notes:**

**Gen Ed Key:**
- INTRO = Introduction to University Life (one course)
- W/C = Writing/Composition (two courses; C or better required)
- M/QL = Mathematics/Quantitative Literacy (two courses)
- NS = Natural Sciences (two courses, one of which must be lab)
- SS = Social Sciences (two courses, one of which must be outside the US***)
- A&H = Arts & Humanities (two courses, one must be outside the US***)
- DIV = Social Diversity (two courses; one US Diversity and one African American Experience)
- WAC/SPAC = Writing/Speaking Across the Curriculum (three courses, one in the major; C or better required)
- CAP = Capstone

**Notes:**
- ** of the SS and A&H courses focused outside the US, one must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)
