Eddy's rugged construction and great versatility makes it suitable for use in high traffic areas such as dining areas, recreation rooms, training rooms, universities and colleges. Available in eight polypropylene colors on chrome or black frames, with optional seat and back upholstery pads. Eddy can be stacked in both four-legged and sled based versions – even with a writing tablet. Eddy's accessories and chair options allow them to be used in many different environments under varying conditions. Clever product design enables the user to modify the product as often as they like in their own environment. Eddy is simply in a class of it's own.

DESIGN: Design Office / Kerstin Hagge, Alfred Puchta.
