A spectacular selection of seating solutions.

With more than 30 styles from which to choose, it's quite possible that Improv has more chairs than you have tasks. One of the most ergonomic seating solutions we offer, Improv provides comfort and support in a style that's conventional yet still miles from ho-hum. So whether you're specifying an office, a suite, or 35 floors, your seating selection may be spectacular, but it's also quite simple.

Improv

The Improv H.E. in a task-intensive environment is just one of many scenarios where “one size fits all” is a good thing. Six different ergonomic adjustments (including an air lumbar support), a waterfall edge on the seat pan, and a choice of Task or Flipper arms combine to make Improv H.E. the single best design for any number of human shapes. Also available in XL and Stool versions.

The Improv Side Chair is equally at home in the office, lobby, conference room, or classroom. Options include sled-base, casters, wood back, in-line seating, ganged seating, tablet arms, and occasional tables.

The Improv X.L. is proportionately larger than our H.E. model to comfortably seat any user while mingling easily with other Improv seating.

The Improv Tag is a task chair to suit any task. A sliding seat pan, an ergonomic soft mesh back with a solid-top backrest, and a selection of arm styles and colors provide limitless options to fit into any office situation.
