SYSTEMS + TABLES

Choices. We Make Them Easy.

It's really all about what's best for you. And we've made it easy with our Choices panel system. Whether it's touch down places, collaborative team spaces, personal work stations or tailored, managerial offices, you'll appreciate the proven quality and high performance solutions possible with Choices by Trendway. It's really that easy.

No Limits. Simply Choices.

With the Choices system, creating unique, inspiring and highly functional spaces is simplified. Let daylight in with glass panels, choose work surface level power for greater user convenience, warm up the space with wood grain laminate, use mobile storage as guest seating. The choice is yours.

SHOWN: Choices system, Pack filing, Sketch R seating.

Responsible Choices.

The Choices system offers you highly sustainable options with the Trendway Less is More program. By selecting from a series of non-directional fabrics, and designing with rectangular work surfaces, you'll help reduce waste yet compromise nothing when it comes to performance. Year after year, Choices panels will easily reconfigure to meet your company's needs.

A System with Substance.

Offering an impressive aesthetic with maximum design flexibility, Contrada lets you make a statement. Whether it's well-dressed in wood veneer, or reflecting a more industrial and alternative look with Contrada Raw, this system offers tremendous breadth of surface material and design options. Combined with its unique architectural elements, Contrada creates an upscale ambience.

Exceptional.

Whether it's full ceiling-height private offices or open collaborative spaces, Contrada has the elements you need. This 3¼" frame and tile system offers exceptional flexibility to handle power and data requirements. Frame heights can extend up to 133" with a choice of tile height ranges from 6" to 36". Combined with compatible Trendway Choices, Trig™ Desking and Intrinsic® Freestanding elements, Contrada provides unmatched design freedom.

Flexible Furniture for Changing Needs.

Create active spaces with Trendway Training Tables. Whether you need a conference area today, a training room tomorrow, or a project space next week, you can do it all with the same Trendway furniture.

Trendway Tables are designed to meet your many needs. From power and data handling capability to a wide range of standard and special sizes, from your choice of mobile, fixed or flip tops for nesting storage to your choice of standard or optional COM surface materials, you'll find just what you need.

Choices System | Many options surround the Trendway Choices panel system with its slim, 2" platform.

Choices P Leg work surface supports create an open aesthetic.

Counter Caps provide a transaction or reception work surface. Power can be specified at the base raceway or above the work surface.

Glazed panels for greater visual access. Storage gets mobile and serves as guest seating.

Upper storage options can add a personal touch to an office. Optional tackboards.

Contrada System | The 3 1/4" Contrada frame and tile system offers many unique features.

A wide array of tile options, including fabric, veneer, glazed, perforated steel, laminate, power, data, slatwall and passage.

Power/data access options in 6" vertical increments.

Unique bullnose edge option for Contrada tables and work surfaces.

Contrada Power Arch divides space, distributes power and data.

Over 80 laminate color options

Standard trim colors* in 3 finish options (smooth, textured, frost).

Standard pull finish - brushed nickel

*Coming Spring 2012 – Designer White and Platinum trim, Mod2 pull.
