Practical, yes. Ordinary, no. Timberlane is flexible, complementing the conference room with the same poise as it does the dining room and private office. The suave appearance attests to craftsmanship you might expect would cost much more. Timberlane may look like poetry, but the price is anything but lofty.

Think of it as poetry framed in wood. Here is seating that speaks simply of comfort and style. Timberlane presents elegance without pretense, as welcome as words from a trusted friend. Choose armed or armless models, with backs of gently contoured wood or finished in fabrics as gracious as the people they serve.
