

McKenzie Larsen

What do you like to do in your spare time?

In my minimal spare time I enjoy spending time hanging out with my boyfriend, best friend, and watching movies. On the off chance that I have a full day off, I love to read and can spend an entire day absorbed in a book.

Cleveland, Ohio

Nursing Major

Class of 2015

What is your favorite food?

I love anything pasta related, especially when it is mixed with a lot of veggies!

What is your favorite part about being in the Scholars program?

The Scholars program has helped me to meet some wonderful people and establish what I am sure will be lifelong friendships!

How would you describe yourself?

I would describe myself as a very fun loving and playful person, but I am also very hardworking and take my schooling and work seriously.

What are your plans for after graduation?

After graduating I hope to start my career as a nurse, potentially working in the NICU or on a pediatric floor.
