2013-2014 FACULTY / STAFF DISABLED PARKING AUTHORIZATION FORM

Disabled Parking Cross Campus Authorization allows faculty or staff with a prepaid hangtag permit to park in any green or white permit space on campus, including all disabled parking spaces. Lot 22, Rec Center Garage and meters are limited to Disabled Spaces only. This access is granted for CSU work outside your assigned area only, not daily parking. In addition, access into the Prospect Garage must be coordinated in advance with Parking Services; failure to coordinate may cause you to have to pay to exit the facility. Each individual who chooses to park at Cleveland State University is expected to comply with established rules and procedures. See additional information under Parking Rules at www.csuohio.edu/services/parking/rules.

To apply for cross campus authorization, please complete this form including your supervisor’s signature and bring your disabled placard registration to CSU Parking Services.
