

LEADERS IN TRAINING PROGRAM

We are excited to offer our Leaders in Training program for 12-14 year old campers again this year. This program allows our campers the opportunity to set up their own activities under the guidance of our counselors. Activities will be primarily separate from normal camp and will be more age appropriate. This is a great opportunity for our older campers to gain valuable working skills and become experienced leaders.

Individuals with poor behavior will be moved to a younger age group or removed from the program with no refund.
