

Student Leadership Development and Engagement Survey

Thank you for taking the time to complete the leadership development and engagement survey. This information will help us to better improve the programs that are offered through the Student Leadership Programs and the entire Department of Student Life. In completing this instrument, please answer the questions by considering the group or experience that you have identified on the first page. Please note that this assessment in no way impacts your status as a student leader, your name is requested only to compare your responses at different times during your involvement. This survey should be completed at the beginning and conclusion of your position tenure.
